

Sim2U
MOBILE GOLF

Mobile golf simulator hire. *Delivered, set up and run for you.*

We bring a full golf simulator to your venue — offices, conference floors, exhibition stands, wine estates or a private garden — anywhere in the Western Cape. We deliver it, build it, calibrate it, run the session for your guests and pack it all away afterwards. Your team never touches a cable.

INCLUDED IN EVERY BOOKING

One price. Everything in it.

- ✓ Delivery, full setup and calibration on site
- ✓ Driving range mode, games and full course play
- ✓ Shot tracking, ball data and skills challenges
- ✓ Closest-to-the-pin and longest drive competitions
- ✓ Professional on-site technician running the session
- ✓ Complete pack-down after your guests leave

POWER

One standard 220V wall socket within 30 metres of where the bay will stand. We bring a 30 m industrial extension lead, so the socket does not need to be close — just within reach.

CLUBS

We supply the clubs, so nobody needs to bring equipment. Our set is right-handed. Left-handed guests are welcome to bring their own clubs — let us know in advance and we will plan the bay around it.

THE THREE SETUPS

SPACE REQUIRED

Pick the setup that fits your venue.

Ceiling height is the measurement worth checking first — width and depth are rarely the problem. Build time happens **before** your booked hours start, so you get the full session you have paid for.

FROM R 3 500 • 3-HOUR MINIMUM

Backyard

Our most compact setup. Fits most residential lawns, patios and double garages — ideal for birthdays, braais and private gatherings at home.

R 10 000 HALF DAY • R 15 000 FULL DAY

Corporate Indoor

Designed to sit inside your own space — offices, conference venues, foyers, showrooms and exhibition stands. Fits standard office ceiling heights, so your team never leaves the building.

What we supply: the simulator bay you see here — impact screen, netting, turf, tracking, the display and our technician. Stand building, walls, furniture and surrounding branding are not part of our service.
